## Self-Deceit

**Dr. Sandip Saha**  
**A Retired Scientific Officer from BARC,**  
**Mumbai.**

Scriptures say that human should sacrifice their  
lust anger greed all vices in the fire of *Yagya*,  
today most of the young women sacrifice instead  
not these vices but their chastity.

As they attain puberty and develop breasts  
they become eager to use these new assets  
exhibiting them in public attracting evil eyes  
towards them fulfilling mutual enjoyment.

Men meet their sexual appetite so cheaply  
that it is embedded in their polluted minds  
opposite sex are destined to be available to them  
while stupid girls bear the brunt of illegal pregnancy.

Is this your freedom?  
Coming out of home this is what you wanted?  
Why do you show your half naked bodies?  
How do you expect men should be all saints?

If you make available flesh in the name of freedom  
dogs will not mind it rather enjoy it fully.  
Now it is time for you to think again  
are you not deliberately disposing of your chastity?
