The Sос!

Lakshmikanta Chakraborty

Oh, my wan and offended Nature!

I am searching your ideal king,

Modest, wise, and honest leaders-

Who have heart and never sting?

I want the laughing children,

I want the melody song,

I want the colored flowers-

Which are real but never be wrong.

I want the world of all,

Which is free but not of a few-

Where are our noble defenders?

Who must have the impartial view.

No tear of fear, I want the tear of joy-

Where we would hate the mischief,

Populous world may be destroyed;

Should never want such fault for grief!

Rivers – clouds – earth – trees – sky – hills,

Stars – air – moon – ocean – and the sun.

Now, so they have sustained a loss-

By the unfathomed greed and greedy pollution.

All mortal lives are short is known.

Every of us have to go,

Funeral fire and burial ground-

Which are our last life-show.

New comers are coming crying,

Coming days will pass through dark,

Yet of imperious human society,

From these dangers nothing to mark!

Oh, dear Scientists! Oh, world Leaders!

Future wants its explanation-

The Sos to whole world,

Prosper, peace for everyone.

Bio-note:

Lakshmikanta Chakraborty is an individual writer and his main concern is to write poems. He believes that poetry has a great potential to change the present situation. The poem is the hallmark of life.
