We Women

Dr. Tialila

We women...
many things left unsaid
we are
all four seasons
our spring
our summer, autumn
and our winter
simply pass us by
unseen, unheard like air
doing things, taking care
of everyone but us
keepers of home, fire
we waited by the hearth
for centuries, since
the beginning of time
singing generous paeans
to glorify men's victory
fuelling men's pride
but forgetting ours
and who will sing for us?
must we not learn a new song
a song of us, sisters of earth
shall we not see us as one
together in suffering
together in praise.
