## Just Another Monsoon Song

**Abhik Ganguly**  
Research Scholar,  
Department of English,  
University of Delhi.

The weather  
roughly romantic  
in a deeply rustic way  
like most Indian monsoons  
enacting an ancient play.

Whilst the swirling  
sublime clouds  
kiss the roof of metro stations  
Commuters wait on platforms  
like long-lost lovers of preceding generations.

It much felt like  
Kalidasa's *Meghadoota*  
Traversing realms to a mythic past  
Who knows for the forlorn *Yakshas*  
might get some solace at last?
