## Confusion and Hope

Shah Mohd. Abdullah

Sitting alone in a half moon night

thinking about the world

About my home about myself

and all that is absurd

Is the world the way I think

coz everything seems blurred

These thoughts are nothing but

fantasies of a lonely brain

These thoughts will flush away

as water goes in drain.

Thanks to the good old poems

of my lovely school days

Which inspire me to write

in 100 different ways.
