In the Dawn, Before the Sunrise

Dr. Amol Agase

In the dawn, before the sunrise,
I wake up with hope in my eyes.

I take a look and find you
In the shining morning dew.

Memories dance in my mind,
And I walk with the flow of the wind.

In the branches of a leafy tree,
A bird's singing makes me free.

My heart is often touched,
In the time I miss you much.

In the time I miss you much
